Greetings from Surabaya,
Honorable colleagues,

On behalf of the Organizing Committee, we are cordially welcoming you to participate in the 23rd Regional Conference of Dermatology (Asian-Australasian) Incorporating with 16th Annual Scientific Meeting of The Indonesian Society of Dermatology & Venereology, 8 - 11 August 2018, Grand City Convex, Surabaya - Indonesia.

Through our theme: “Enhancing Evidence Based Dermatology Practice in Globalization Era”, we would like to deliver the latest update on research, guideline, best clinical practice, and breakthrough in dermatology and venereology to all dermatologists.

Our vision is to improve patient care using evidence based medicine, and also advancing our knowledge and skill in prevention, diagnosis and treatment of dermatology and venereology disease.

The workshop and scientific program offer not only a comprehensive, but also more in-depth about skin disease with case interactive and clinical study from the experts, to ensure all the participants can implement the presented lecture in their daily practice. The exhibition, cultural and social program will also be interesting and enjoyable.

We look forward to welcome you in Surabaya on August, 8 - 11th, 2018. We hope that you will have enjoyable time with our programme and may this congress be beneficial and create pleasant memories for everyone participating. Thank you for being a part of our Congress.

Warm regards,

Dr. Syarief Hidayat, Sp.KK, FINSDV, FAADV
President of LADS

DR. Dr. M. Yulianto Listiawan, Sp.KK(K), FINSDV, FAADV

Extended Abstract Submission Guidelines RCD/PIT 2018

Free Communications are brief proffered presentations (oral or poster) on focused studies, investigations, or observations in Dermatology and Venereology, represent a vital component of the scientific program of the RCD/PIT2018.

Extended Abstract Submission

Deadline: 31st March 2018

- Abstracts may only be submitted ONLINE through the RCD/PIT 2018 official website at http://www.rcd2018.com after receiving confirmation email for registration.
- Abstracts submitted by email, fax or post will NOT be accepted.
- In submitting the extended abstract, authors grant the Free Communication Committee of RCD/PIT2018 the right to publish the extended abstract both in hard and electronic forms.
- Extended abstracts could be submitted on 1st August 2017 and will be closed at 31st March 2018 (24.00; GMT+7).
- Extended abstracts submitted after deadline will NOT be accepted.
- Authors could NOT make changes to the submitted extended abstract.
- Extended abstracts will independently reviewed by the experts and accepted based on scientific value and educational need.

Extended Abstract Submission Guidelines

Statement of responsibility
- All authors must agree with the entire contents of submitted abstract and consent to being listed as authors;
- Abstract must not have been submitted to any other national or international meeting;
- Abstract is based on scientific and/or clinical methods that are ethical and valid;
- No trade names should be written for drugs, devises, and/or instrumentations;
- Any medications or other substances referred to in the materials must be identified by their scientific names only;
- Authors agree to comply with abstract submission and presentation rules.

Authors are required to indicate their preference for either oral or poster presentation by checking the presentation preference (oral/poster) box on the submission web page.

Extended abstracts will be reviewed by peer review of experts in the associated topic.

- The RCD/PIT 2018 Free Communication Committee will make the final decision of the format presentation (poster or oral). Committee decision is final and cannot be appealed.
- The best 150 extended abstracts submitted before 17th February 2018 will be submitted and indexed to Scopus by Scitexpers.
- The author of selected papers for Scitexpers (Scopus) publication will be notified earlier by Free Communication Committee and must agree to accommodate SCOPUS INDEX publication needs (paper revision and some additional request). Original research is preferable. Committee decision is final and cannot be appealed.

- Please ensure that your email address is accurate at the time of submission. All correspondence will be sent via email to the corresponding author. If there are any changes please contact abstract@rcd2018.com
- Extended abstract must be submitted in ENGLISH only. Extended abstract in any other language will not be accepted.
- Extended abstract must consist of 4-5 pages (including the references). Extended abstract less than 4 pages and more than 5 pages will NOT be accepted.
- Extended abstract should be written in camera ready form such as Microsoft Word (Times New Roman, 11 font size and single spacing). Page margins are formed to regarding the A4 page size and 3 cm wide from the right, left, top and bottom. Original Research extended abstract should be consists of introduction, methods, results, discussion, conclusion, acknowledgement and references. Case Report extended abstract should be consists of introduction, case, discussion, conclusion, and references.
- Example of extended abstract:

**EXTENDED ABSTRACT HEADLINE:**

**ORIGINAL RESEARCH**

(Times New Roman; bold; font 14; uppercase, centered)

first author , second author *, third author .

(Times New Roman; font 11; presenter’s name(*) should be bold; centered)

1first author’s affiliation and full address (Times New Roman; font 11; centered, italic)

2second author’s affiliation and full address (Times New Roman; font 11; centered, italic)

3third author’s affiliation and full address (Times New Roman; font 11; centered, italic)

*presenting author’s telephone, fax and email address (Times New Roman; font 11; centered, italic)

**ABSTRACT**

(Times New Roman; bold; font 11; sentence case, centered)

The body of the abstract begins here. The abstract should be concise summary of the research article. The abstract must be written in one single paragraph and state the objective of research, short methodology, and research output as well as final conclusion. Be sure to adhere word limitation (250 words). (Times New Roman; font 11; sentence case, justified, single space).

**Keywords:** keyword1, keyword2, keyword3, keyword4, keyword5.

(Times New Roman; font 11; sentence case, left, single space)

**Introduction**

(Times New Roman; font 11; bold; sentence case, left)

Introduction section should present the background and the aim of the study. Please explain why this extended abstract is important and/or interesting.

(Times New Roman; font 11; sentence case, justified, single space)

**Methods**

(Times New Roman; font 11; bold; sentence case, left)

The methodology must be clearly stated and described in sufficient details.

(Times New Roman; font 11; sentence case, justified, single space)

**Results**

(Times New Roman; font 11; bold; sentence case, left)

Results of the study should be explicitly described and illustrated. Supporting tables, and figures of the results should be included in this extended abstract (no more than 2 tables and 2 figures). All the tables and figures should be centered, and numbered as examples. Table’s header should be placed at the top, figure’s header should be placed under the figures. References of the tables and figures (if any) should be presented under the tables/figures.

(Times New Roman; font 11; sentence case, justified, single space)

**DISCUSSION**

(Times New Roman; font 11; bold; sentence case, left)

This section should explain the principles and generalizations inferred from the results, any exception, problems with these principles and generalizations, theoretical/practical implications of the study, and recommendations.

(Times New Roman; font 11; sentence case, justified, single space)

**REFERENCES**

(Times New Roman; font 11; bold; sentence case, left)

Total number references must not exceed 15. Resources that have been presented should be listed according their order in this extended abstract. References should be prepared in Vancouver style, Mendeley software is recommended for referencing.

(Times New Roman; font 11; sentence case, justified, single space)

**ACCEPTANCE NOTIFICATION**

- Authors will be notified by May 2018 as to the acceptance status of their submissions, includes the assignment of session category and presentation format (oral or poster).
- Detailed instructions regarding requirements and instructions for oral and poster presentations will also be provided at that time (May 2018).
- Meritorious extended abstracts may in some instances be notified for acceptance earlier at the discretion of the RCD Free Communications Committee.
- If your extended abstract is accepted, you must submit your presentation (oral or poster) no later than 30th June 2018.
- Unless you submit in suitable requirements, your abstract(s) will NOT be included in any RCD/PIT print/online publications.
- Authors may be asked for full paper(s) in order to publish their scientific paper(s) in some accredited national journals.

For more information about abstract and presentation please contact:
RCD/PIT 2018 Free Communication Committee
